

# **St. Francis Service Award Application**

*Recognizing Excellence in Christian Service*

The purpose of this award is to recognize all students who perform an extraordinary amount of Christian service hours in significant service to the local and/or international community.

The St. Francis Service Award is given to students who have been involved in extraordinary service projects, including Archbishop Mitty's various immersion programs. This award is also given to students who have completed at least 125 hours of meaningful service during the current school year. A maximum of 100 hours from Mitty immersion trips can be applied.

Thank you for taking the time to complete this application. Your invaluable volunteer hours have helped to better our community. All completed applications need to be returned to the Campus Ministry Center by April 20. After we review your application we will notify you about whether you will receive the award. This acknowledgment will be based upon completing approximately 125 hours of service, and involvement in meaningful service.

St. Francis is one of the greatest role models of Christian service in history. He lived a life of voluntary poverty, of service to others, and shared many profound insights about God in such writings as the Prayer of St. Francis.

St. Francis exemplified the spirit of compassionate love for all creatures. He was so profoundly moved by the love of God that he lived simply, nurtured a love for all creatures, and loved his neighbors as he loved himself.

It is in the spirit of St. Francis' selflessness that we give this award to students who have demonstrated the same values as St. Francis did.
