

The Archbishop Mitty Baseball coaching staff would like to thank you all for participating in the 2009 try-out process. You should be commended for working hard and giving your best effort. There was a strong and talented group of athletes competing to be part of the baseball program this year. We are unable to keep all the players and the coaching staff has decided that the following players are invited to be part of the program for the upcoming season. Final placement on any of the three teams (varsity, junior varsity, or freshmen) will be decided in the coming week. But there is always a possibility of movement up or down within the program at any time during the season.

The names on the list below are the freshmen that have been chosen to be part of the Archbishop Mitty Baseball program for the 2009 season.

At this point in the school's history, players that were not invited to be part of the program are ***strongly*** encouraged to tryout again next year. Participation in the program is a year-to-year selection process. On all of our athletic teams we are experiencing more and more athletes that make a team after not being part of the team the previous year. So please consider trying out again next year.

Practice begins Monday at 2:50.

The baseball program is truly appreciative of your time and effort, and would like to encourage your interest in Archbishop Mitty High School extracurricular activities. If you have any questions or wish to discuss any final decisions with regard to try-outs or placement, please contact Bill Hutton at 408-342-4273 or email [bhutton@mitty.com](mailto:bhutton@mitty.com) to set up an appointment by Tuesday February 24, 2009.
