Dear Archbishop Mitty High School Parent,

**Great News!** We are pleased to announce that the **Mitty Prepaid Campus Account** will be the new method of payment for on cafeteria purchases starting Fall 2009. The Mitty Prepaid Campus Account is an integral part of our goal to become a cashless campus. A cashless campus is more convenient for parents, safer for students, and more efficient for our school. The program is similar to the prepaid account programs that nearly all Colleges and Universities have had in place for several years. Finally, no more last minute scrambling for lunch money, no more worrying about it being lost, stolen, or spent on the wrong things, and no more missing the change that we, as parents, seldom if ever get back.

With the Mitty Prepaid Campus Account you load money, monitor purchases, and can set low balance notifications by logging into [www.myschoolaccount.com](http://www.myschoolaccount.com). Your student simply scans their finger to make purchases at the cafeteria, bookstore, and other on campus venues as the school makes available.

**Exclusive Discounts and Special Offers!** With your Mitty Campus Account, you will have access to our VIP Program, providing exclusive money saving offers from top local and national retailers like **Apple, GNC, Sports Authority** and many more. Look for special offers and discounts of up to 50% off from featured retailers whenever you visit [www.myschoolaccount.com](http://www.myschoolaccount.com).

The prepaid system moves cafeteria lines faster allowing students more time to eat, is more hygienic, allows parents control of where money is spent, encourages better food choices, is more efficient for the school, and includes exclusive money saving offers. It is a win for the student, the parent, and the school. **It is our hope to have all students using this program during the 2009/2010 school year.**

Please take 5 minutes and sign up by going to [www.myschoolaccount.com](http://www.myschoolaccount.com) to set up your student's Mitty Prepaid Campus Account. You will be required to pay a \$25 annual fee when you establish your account. Once the account is established, you may load funds at your convenience as the new school year approaches. Your student will be ready to make purchases by simply scanning their finger. You will be able to monitor purchases and reload your student's account by returning to [www.myschoolaccount.com](http://www.myschoolaccount.com) at any time. Unused balances will roll over to the following school year.

Thank you in advance for your prompt cooperation.

Sincerely

Jorge Helmer
