

We look forward to seeing you in June.

# Welcome

## Welcome and thank you for your interest in Archbishop Mitty Summer School.

Our summer school offers an exciting and diverse curriculum aimed at enhancing any student's education. We offer academic courses for students entering either junior high or high school. Academic classes are designed for students wishing to improve their academic standing or for those wanting to accelerate their present course of study. With our knowledgeable and experienced instructors along with the depth and variety of our courses, AMHS has created a summer school program that is second to none. We look forward to seeing you in June. Remember to register early as classes will fill quickly.

Sincerely,

Josh Walker

Archbishop Mitty Summer School Principal

Archbishop Mitty Summer School  
5000 Mitty Avenue  
San Jose CA 95129-1897  
[www.mitty.com/summer/](http://www.mitty.com/summer/)

**Academic Courses**  
**June 16 – July 25, 2008**

8:00 A.M. – 12:00 P.M.  
Grades 7-12

## Courses

Our academic courses provide students with an opportunity to receive 5 or 10 high school credits, depending on the length of the class. Because of the impacted nature of summer school, parents and students should be aware of the accelerated pace at which the academic courses are taught. In order to take any of the academic courses, a student needs to be at least entering the 9th grade in the fall; *the only exceptions are the Pre-Algebra and Algebra I courses.* We encourage students and parents to call the Summer School office regarding any questions related to course credit, placement, or content. The course directory is as follows:

- Algebra I\*
- Algebra II
- Biology
- Chemistry
- Geometry
- Contemporary Authors
- Spanish II
- Trigonometry\*\*
- US History
- World History
- Pre-Algebra\*#

\* These courses are offered to 7th and 8th graders.

\*\* One semester only. Class runs from 8 a.m. to 11:00 a.m. for the first 4 weeks.

# Please note that the Pre-Algebra class is classified as an enrichment course, and students who take the class will not receive high school credit.

## Transcripts

Non-Archbishop Mitty students will have the opportunity to request the forwarding of Archbishop Mitty Summer School academic transcripts to either his or her home or a school of choice. When registering online, please complete the transcript request section fully and accurately to ensure that the transcript has the student's legal name and correct forwarding address. Transcripts will be sent during the first week in August.

## Attendance Policy

Consistent attendance is integral to achieving success in our program. Because courses move at an accelerated pace with each day representing approximately 1 week, students are not allowed to miss more than three days during the entire six-week period and no more than two in any one semester. Any student exceeding the maximum absent days will be immediately dropped from the course and not allowed to return. There are no refunds for dropped students regardless of the amount of school days remaining. Further details about leaving school early and being tardy will be sent to students and parents after registration.

## Add/Drop Procedure

Classes must be dropped on or before June 1st. After this date, refunds will not be given regardless of the reason. Refund requests for a dropped class need to be received via email before 11:59 p.m. on June 1st and will only include tuition. Registration fees are non-refundable. Please send any refund request to [summer@mitty.com](mailto:summer@mitty.com). Classes can be added up to the first day of school.

## Fees

Registration	\$200.00
Course Tuition	\$700.00
Trigonometry Tuition	\$300.00

## Books and School Supplies

Students are responsible for purchasing the books and supplies for their classes. Archbishop Mitty provides an online vendor, **Varsitybooks.com**, from which all of the books and supplies for summer school can be purchased. Detailed information regarding **Vasitybooks.com** will be sent out once students have registered.

## Registration

Online registration begins on March 1st. Walk-up registration will begin on April 1st and will not be accepted earlier. Please make sure that when registering your student, information is completed thoroughly and accurately as transcripts are derived from these data fields.

## Impacted Courses

Many of our courses, such as Chemistry, Biology and Geometry, are in high demand. A waiting list will be created once courses are full. If space becomes available, students will be contacted by phone by the Summer School Office.

## Important Dates

- March 1** Online registration begins
- March 7** Office closed due to school holiday
- March 21-  
March 29** Summer School Office closed for Easter Break
- April 1** Walk-up registration begins
- May 28** Office closed for Memorial Day Holiday
- June 1** Last day to drop a class
- June 16** First day of Summer School
- July 3** End of first semester
- July 4** No School for Independence Day Holiday
- July 25** End of second semester. School day ends at 10:00 a.m.

## To request more information:

Parents considering sending a student to the Archbishop Mitty Summer School may speak with a school representative at 408-342-4200, Monday, Wednesday, and Friday from February 4th – March 20th between the hours of 8:00 a.m. and 11:00 a.m. After March 30th a school representative will be available weekdays between the hours of 8:00 a.m. and 11:00 a.m.

## Academic and Tech Camps for 5th thru 9th grades

Looking to keep your student's mind active during the summer? Archbishop Mitty's Summer programs offer a variety of academic and tech camps such as:

- Reading and Writing
- Digital Photography
- Robotics
- Movie Making
- Web Design
- Graphic Design

Take one individually or mix and match to have an all day experience. If you are interested, check out our summer camps at [www.mitty.com/summer](http://www.mitty.com/summer). Spaces are limited, so register early.
