IMPORTANT NEW & UPDATED INFORMATION

(PLEASE READ PRIOR TO REGISTRATION)

The decision was made this summer to move all ‘Mitty Monarch Program’ experiences online for safety purposes. In order for students to fully participate in our online class experience, **students need access to high speed internet and computing technology with Zoom Video Conferencing capability.** Due to the unique nature of some Mitty Monarch classes*, class size is limited. **As a first step in the registration process, AMHS families should enter the student’s Mitty ID number.** This will trigger our Summer Program registration system to list all ‘Mitty Monarch’ classes, and to automatically apply any pre-approved financial aid a family may have qualified during our checkout process.
